ENVIRONMENTAL POLICY

Up North Combine Ltd acknowledges that its activities could have an effect on the environment.

We recognise that through sound planning and good working practices this contributes to minimising the impact on the environment. Up North Combine Limited aim to:

- Comply with the requirements of the environmental legislation, approved codes of practices and other requirements to which we subscribe
- Assess the environmental impact of all our activities
- Continuously seek to improve our environmental performance
- Prevent pollution
- Minimise waste and emissions
- Protect the environment where activities are deemed significant
- Reduce the use of all raw materials, energy and supplies
- Raise the awareness, encourage participation and training in environmental matters
- Use products and services in an environmentally-sensitive way
- Participate in discussions about environmental issues
- Actively promote recycling
- Meet or exceed all environmental legislation that relates to the company

Everybody is responsible to co-operate with safeguarding the environment. Through regular monitoring at appropriate intervals Up North Combine Ltd will ensure that the aims of this policy are achieved
